

Workshop #2

Volunteer management for protected areas

Session Leaders : Axel Tscherniak, Federico Minozzi

- Presentation of examples of volunteers in parks programmes in European countries
- Rough presentation of Grundtvig project/learning partnership "volunteers in parks"
- Discussion of a common vision: Which role shall volunteers in European parks play in 2020, what needs to be done on international, national, park level?
- Discussion of the question: What are "high management standards" in the context of volunteer management?

Planned outcomes

- Exchange of experiences
- Steps towards a common (European) understanding of the role and value of volunteers in parks and volunteer management standards
- Ideas and recommendations for the further development of the Grundtvig project
- Personal contacts for further international cooperation in the future
